

# United's Plumbing Peace of Mind Agreement™

United's Plumbing Peace of Mind Agreement is one of the most thorough available – covering your home top to bottom. Most plumbing companies don't even offer them!

With a Plumbing Peace of Mind Agreement, you can help protect your plumbing system and home from surprise repairs that can interrupt your day and cost you an unexpected repair bill!

Plus, with a United Plumbing Peace of Mind Agreement you'll receive:

- 15% discount on all plumbing repairs
- Preferential scheduling
- Longer life for your water heater
- Peace of mind

*Only*  
**\$119.95/Yr.**

## United's PPMA Covers ALL of These Items!

### Kitchen

- Check faucets for drips/leaks
- Check aerators (screens) for build-up, proper fit
- Check garbage disposal for proper operation
- Check for leaks in traps and supply lines
- Check for slow drains
- \$5 extra per fixture for second kitchens, wet bars

### Other

- Check floor drain and flush with hot water
- Inspect all exposed water lines
- Tag primary water valves for emergency shut-off
- Check outside faucets for leaks; if exposed check for proper drainage
- Check water pressure and adjust pressure reducing valve accordingly
- Inspect sump pump and pit; check float

### Bathrooms (up to 3-1/2)

- Die test toilet to assure flush valve assembly is properly sealed
- Check aerators for build-up, proper fit
- Check faucet(s) for drips/leaks
- Check for leaks in traps and supply lines
- Check for slow lavatory and shower drains
- Check showerhead for proper flow
- Check shower valves for leaks and wear

### Utility Room/Laundry

- Check washing machine hoses for proper fit and seal
- Check drain (fill washer)
- Check sink faucet and aerators as above

### Water Heater

- Check drain valve for leaks
- Drain and clean
